A white and blue NUVARI 64 yacht is shown from a side profile, floating on clear blue water. The yacht has a white upper hull and a blue lower hull. It features a large cabin with dark windows and a white roof. A metal railing runs along the deck. In the background, there are hills and a clear blue sky.

A white speedboat is shown from a side profile, moving from left to right across the water. The boat has a sleek, modern design with a dark window line. In the background, a city skyline is visible under a clear blue sky. Two prominent skyscrapers are visible: one with a white lattice-like structure and another with a blue facade and a red sign at the top. The water is a deep blue, and the boat is leaving a white wake.
